

A futuristic rocket ship with a long, thin, white body and a large, flared, metallic nozzle is shown in space. The rocket is angled downwards towards the right. The background is a deep blue space filled with numerous small white stars. In the lower right, the curved horizon of the Earth is visible, showing green landmasses and blue oceans. A bright sun is positioned just above the horizon, creating a lens flare effect. The overall scene is set against a dark, starry sky.

*Get Ready!*

## Get Ready!

Jesus is coming back, and He's coming soon. Times are such that we have no time to waste. What we do, we should do for Him. We need to be busy about furthering the kingdom of heaven while we are still here on earth. The time is short, and the kingdom of God is at hand. Those who trust Jesus as their Savior will be caught up in the clouds to be with Him forever (1 Thessalonians 4:17).

What about you? Are you ready? If you are, good. If you are not, get ready! Jesus is alive, and He is ready to receive you as His child. He longs for you to come to Him. If you have backslidden, come back to the cross. He will forgive you, and cleanse you, for He is a merciful Savior (1 John 1:9). There is still time to get right with God.

***Pray this prayer:***

***"Lord Jesus, I believe you died for me. Please forgive me, as I trust you now as my Savior. Help me to be ready when you come. In your Name I pray. Amen."***
