He Believes In You!

A non-believer stated, "I don't believe in God." Without hesitation, the believing Christian was quick to respond, "But He believes in you!"

Father God loves His creation and He created you. He made you just the way you are and you are pleasing to Him. You are unique and very special. The psalmist David said, "You created my inmost being, I praise you because I am fearfully and wonderfully made." (Psalm 139: 13-14).

God is the author of life itself and the source of all that is good. In His great love He sent Jesus to take on our sin, die in our place, and make His mighty salvation possible for us (Romans 3:25). All of this He did for you, because He believes in you. Put your belief in Him as you make this the prayer of your heart:

"Father, I believe in you and I believe you sent Jesus to take on my sin and die in my place. Jesus I believe you did this for me. Come into my heart and fill me with your Spirit, in your name. Amen!"
